## CHILDCARE POLICIES AND PROCEDURES

- For the well-being of the other children, please refrain from bringing a sick child into the childcare area
- Please label all of your child's belongings with his/her name
- The child room will provide age appropriate toys. For safety and hygienic reasons we ask that children refrain from bringing their own toys to the childcare area.
- If your child has severe allergies, you may consider bringing your own snacks and lunch as we cannot guarantee that the snacks have not been cross contaminated. If you are coming from out of town, and this is difficult, let us know ahead of time and we can make arrangements.
- No outside food or drink will be permitted in the childcare area (unless previously discussed)
- Disruptive or inappropriate behavior will not be tolerated. In these circumstances, parents will be notified immediately.
- If a child is inconsolable for more than 15 minutes, parents will be notified and asked to return to the childcare area to assist staff.
- Children will be released ONLY to the person who dropped them off. If you wish to take your child out of childcare and bring them back, you must sign them in and out
- Medications will not be administered by childcare staff. We will call the parent if medication needs to be administered.
- Please bring your child freshly diapered. We can change diapers if requested. Remember to bring: Diapers, wipes and any milk/formula if required.

## LIABILITY WAIVER

I, the undersigned, hereby hold harmless, waive and release the Canadian Mathematical Society and the University of Regina, their childcare workers, officers, representatives, agents, organizers and successors from liability as a result of personal injury or property damage occurring while the above child/children is/are in their care at the University of Regina. I understand that this is not a licensed childcare facility. I understand that childcare services are provided only while I am present in the building and attending the conference. I understand that if my child should become inconsolable during the conference, I am responsible to leave and attend my child. I have read, understand and agree to adhere to the Childcare Policies and Procedures listed above.
